## *A Very Successful 18th Annual Golf Tournament*

With about one month's notice, HCA was able to successfully hold its 18th Annual Golf Tournament on Thursday, September 10th at The Links at Hiawatha Landing golf course. Players were given a boxed lunch and food was made available at a hotdog/hamburger stand located outside on the course. The weather was beautiful, many participants went home with prizes, and everyone stayed safe! We'd like to especially thank our **Title Sponsor, Peoples Security Bank and Trust**. We could not have done this without your support! We had 18 full teams with a total of 72 players. **Congratulations to the following winners:** FIRST PLACE—Empower Federal Credit Union, SECOND PLACE—Mister Koffee and THIRD PLACE—Kevin Brown, Edward Jones Team. MEN'S LONGEST DRIVE—Dr. Jim Marusich, WOMEN'S LONGEST DRIVE—Linda Yeager; MEN'S CLOSEST TO THE PIN—Tony Verdon. Also, a special thank you to our friends at Jarets Stuffed Cupcakes, Park Manor Wine and Spirits, and Rocco J. Testani for your exceptional support.

*As many know, these past several months have been very difficult for businesses, families and non-profit organizations. HCA has had its fair share of struggles with policy and safety guideline changes, almost weekly and sometimes daily. However, our community pulled together and still remains strong in what continues to be very uncertain times. The families we serve and the staff that work above and beyond could not have done it without your help. Thank you to the following for their generosity! Care Compass Network, COVID-19 Community Response Fund, Jim and Juli Boheim Foundation, Walmart Foundation, Kathy Corse, New York State Insurance Fund and additional private donors.*
