COVID-19 VISITATION POLICY

HCA is strongly committed to preserving the relationship between the individuals served, their families, and friends. We recognize in order to promote individuality, independence, inclusion and productivity we must foster these supports. Therefore, we welcome visitation at the residence.

Naturally, there needs to be policies for the individual, family and agency to be protected. The agency needs clear guidelines from the individual and/or guardian regarding who, when, where visitation is permitted.

All visitors must remain masked unless proof of vaccination is provided. Exception is based on health status of the home. Masks may be required for everyone in the home, regardless of vaccination status in the home.
